SF Skate Club Summer Skate Camp 2022 Registration Form

Welcome to San Francisco Skate Club's Summer Skate Camp 2022! This is our 16th year of running specialized skateboarding camps that offer small group instruction and attention to children while introducing them to role models of the glorious sport and industry.

Please read the following information carefully. In order to help us ensure a safe, positive, and fun camp experience for your child, it is important that you and your child understand and follow the guidelines described below. Please keep this form for your reference.

Camp Participation Guidelines

- All campers must have a completed CONTACT/MEDICAL INFORMATION and RELEASE FORM and a LIABILITY WAIVER and a COVID-19 release form on file. Please submit these forms by mail (or online) to San Francisco Skate Club Hub, 635A Divisadero St., S.F., CA 94117 at least one week prior to start of selected camp session.
- All campers must bring and wear appropriate safety gear, such as helmets and knee and elbow pads for skateboarding. Listening, paying attention, and following skate instructor's directions and safety rules will help your child make the most of his/her experience at skate camp. If behavioral problems arise, then campers will receive positive redirection and/or a warning from the instructor. If a camper persistently exhibits challenging behavior after receiving repeated warnings, then he/she will be asked to take a timeout during which time a parent will be called; in extreme cases, a camper may be asked to drop the remainder of the camp days. Please help your child remember the importance of paying attention and following skate instructor's directions.
- All campers should dress in comfortable clothing such as jeans, shorts, a t-shirt, a sweatshirt, and sneakers as well as wear a protective, cloth mask at all times as well as practicing social distancing. Please refer to our COVID-19 guidelines for 2021 Summer Skateboard Camp.
- Cohorts of 6 campers will alternate between travel in our van to skateparks within SF and our "Skate & Explore" program, where campers will skate and walk to a park or skate destination. Only one cohort of 6 children, 2 adults and 1 teen leader will be traveling in the van at a time.
